

Assemblies of God Compassion Ministries

The following list offers information on all official compassion ministries of the Assemblies of God as well as independent ministries with which the AG partners.

[Aged Ministers Assistance \(AMA\)](#)

AMA helps retired ministers meet their daily needs with monthly checks, medical assistance and other funds necessary to live.

[AG Center for the Blind \(CfB\)](#)

The CfB offers a wide variety of Christian resources for blind children and adults, making every effort to use technology to set a higher standard in literature for the Blind.

[AG Disaster Relief Fund](#)

AG Disaster Relief, in cooperation with other ministries, reaches out with a compassionate touch to assist victims of a disaster, either natural or man-made, in the United States.

[AG Family Services Agency \(AGFSA\)](#)

AGFSA provides a safe haven for and rekindles the hope of young women, children and infants at the Hillcrest Children's Home, Highlands Maternity Home and through adoption services.

[Compassion Link](#)

CompassionLink is a web site providing resources, information and networking services for those involved in Assemblies of God World Missions compassion ministries.

[HealthCare Ministries \(HCM\)](#)

HCM uses medical evangelism with the help of volunteer healthcare professionals to reach areas of the world that have been untouched by the Gospel. HCM uses 5-day medical clinics to target basic physical needs such as optical, dental and medical care.

The Assemblies of God partners with the following independent compassion organizations:

[Convoy of Hope](#)

Convoy of Hope mobilizes, resources, and trains churches and others groups to conduct community outreaches, respond to disasters, and direct other compassion initiatives in the United States and around the world.

[Rural Compassion](#)

Rural Compassion is a national initiative supporting the rural poor, focusing on but not limited to those communities consisting of only 2,500 households or less. Rural Compassion's mission is to break the cycle of poverty by utilizing and building on indigenous resources.
