

Georgia Missions Church Plant

Church Plant Committee Interview Checklist

Please bring with you the below items and be prepared to talk about them. Your spouse should attend with you, and where applicable the Partnering Church pastor should also attend.

The demographics and community information for your target area

Explanation of your heart and decision for the target area

A strategic plan of how you will develop a core group

A rough draft of what an information meeting that you would conduct in your community would look like

Your potential pre-launch date (assuming your approval)

A rough draft for a pre-launch budget

A rough draft detailing your six months goals and steps to achieve those goals

Be prepared to tell your story – a brief storyline about you and your wife and how God lead you to church planting
