¹Annual Church Ministries Report totals do not include ministries outside of the local church context.

²The definition of HonorBound/Men's Ministries was changed to Men's Ministries in 2008, so no comparable data are available.

³The Challengers age group was dropped in 2003.

⁴Starting with 2000 data we stopped pulling forward a church's previous report of Sunday p.m. attendance when that indicator was left blank on a current ACRM.

⁵The definitions of Sunday School/CE were changed in 2007, so no comparable data are available for 1998.

Note: There were multiple sources of Christian School statistics prior to the report for 1986 data. Since then, only ACMR (Annual Church Ministries Report) statistics have been published.

Therefore, Education department reports published prior to 1986 may conflict with the statistics in this report.

* Denotes percent between -.1 and +.1.

Region totals listed above are based on current region boundaries, which changed in 1995. Data previously published for regions will not match except for the Gulf, North Central, and Northwest regions.

*Explanatory Notes:

1. Race is estimated from ethnic group. For example, the Black race includes the African, Black, Caribbean, Ethiopian/Falasha, Guyanese, Haitian, Jamaican, Somalian and Trinidadian ethnic groups.
2. The ethnic group is based on the majority (51% or more) of the congregation.
3. Hispanics may be of any race, but in this report they are listed as a single category.
4. NOTE: Percentages may not total 100.0 due to rounding.
5. "Avg Attend per Church" represents an ESTIMATE of the average Sunday morning worship attendance of ALL people (not just the major ethnic group) in churches of that particular category. For example, an average of 30 for the black ethnic group means there is an average of 30 persons attending per church, not necessarily 30 black persons.
6. A table of race and ethnic groups follows.
