

# THINGS TO KNOW

Dear Girls Ministries Coordinator,

The enclosed Theme/Sleepover DVD will automatically open in your video application. To access non-video files on this DVD you will need to force quit that application (PC: Ctrl+Alt+Delete, MAC: Apple+Option+Esc). You will then need to either click on the Theme or Sleepover 2011 icon on your desktop or access the DVD through My Computer (PC). The files you will find available:

## Theme Booklet:

Saved in 2 versions: PDF and animated Web file (link will open in web browser). To manipulate, drag pointer to lower right or left corner and click to turn page. However, you will want to print from the PDF file.

**Sleepover Packet:** available in English & Spanish (Español folder contains Spanish)

Saved in 2 versions: PDF and animated Web file (link will open in web browser). To manipulate, drag pointer to lower right or left corner and click to turn page. However, you will want to print from the PDF file.

On the PDF version the Survey and Report Form provide a link to our website and they can be filled out online.

## Activities:

Paper dolls & masks – We have included a PDF version of Luna paper dolls & masks that you can print. See page 21 of your Sleepover Packet for the directions on how to print.

**Invitations:** (available in English & Spanish)  
For your convenience we have included 2 versions of invitations that you can use. Look on page 16 of your Sleepover Packet for more details.
