

Update on Honor Star and Friends & Girls Only Graduate Awards

Honor Star Crown (17MN7915)

Due to industry safety regulations, we must discontinue selling the Honor Star Crown. We cannot find a manufacturer that can issue a safety assurance for this crown for children under 15. Since Honor Stars are between 10 and 12 years old, National Girls Ministries and Gospel Publishing House can no longer offer this item. We now recommend that each club find a crown locally to award to Honor Stars.

Friends Graduate Ring (various numbers)

In spite of various attempts, we have not been able to maintain a high level of quality for the Friends Graduate Ring. The rings oxidized during storage and would arrive to customers blackened by this process. GPH tried many ideas and we discussed even more but in the end we determined that if we could not provide a beautiful, quality, affordable ring we should not offer a custom piece. We now recommend that each club find a ring locally to award to Friends Graduates.

Girls Only Graduate Necklace (15MN0504)

When we had to discontinue the custom Friends Graduate Ring, we decided that we should also discontinue the Girls Only Graduate Necklace. We had also had some negative feedback on this item — some wanted gold, some wanted silver. It seemed the best solution was to offer churches the opportunity to award a quality necklace that fit their budgets. We now recommend that each club find a necklace locally to award to Girls Only Graduates.

Districts and churches should work together to award a crown, ring, or necklace that can be purchased locally.
