

Sunlight Kids is the newest curriculum to intentionally teach Bible truths to children ages birth through 36 months — before they enter Rainbows.

Developed by early childhood experts, Sunlight Kids uses a proven, learn-as-you-play approach children understand. You get year-round instruction in a format that's so easy to use, your volunteers will have as much fun as your little ones!

How do Sunlight Kids and national Girls Ministries go together?

Let us count the ways:

1. Units — unit overview pages; each unit is built on a 4- or 5-week lesson plan to be completed within one month; unit memory verse (called Bible Words)
2. Lesson format — ideas and suggestions are in the sidebar; lesson essentials in the center area; ideas for opening time
3. Music!
4. Activity Pages — called Make & Take Craft or Copy Master
5. Uniforms — logo T-shirt for children and adults
6. Distinctives — club song and motto, with posters to display
7. Awards — unit stickers; promotion certificate
8. National support — NGM provides support to our districts and local churches using Sunlight Kids within their preschool clubs structure

An exciting plus are the unit Bible Story Visuals! (Many can be used for Rainbows Bible stories.)

While we are not the sole promoter and overseers of Sunlight Kids, we have complete freedom to promote this nursery program to Girls Ministries leaders. GPH will promote it to the Sunday School and Early Childhood audience. Contact us with any questions, just as you would with any other club. We are here for you.
