Entokozweni = "Place of Joy"

We are making a switch! Beginning 2012, Coins for Kids projects will run from January to December so that all your BGMC giving will take place during a calendar year.

How does this affect South Africa — Place of Joy fundraising?

If at all possible, submit your Coins for Kids offerings for South Africa by December 20. We have a plan to accommodate giving to both projects from January to March 2012 but we want to make sure your offering goes to the project your girls have given toward. Giving by December 20 will help.

If you have a South Africa fund-raiser planned for early 2012, go ahead with it. When you submit your check, please write South Africa on the memo line so that we can record it properly.
