Procedures for Processing the STL Equipment Application

RESPONSIBILITY OF APPLICANT

- Complete the STL/AGUSM Equipment Application form (Part I, II, and III) and submit to the District office.
- NOTE: Incomplete applications will be returned to the applicant.

RESPONSIBILITY OF DISTRICT YOUTH MINISTRIES

- The **District Youth Director** will obtain all necessary information and signatures on the STL Equipment Application before submitting it to AGUSM.
- After the application has been signed, if there are any additional supporting districts involved, then the application should be forwarded on to that district for their signatures and pledge.
- The completed application form should be mailed or faxed to AGUSM (see below).

RESPONSIBILITY OF U.S. MISSIONS

- AGUSM will present the application to the STL/AGUSM Committee for approval.
- AGUSM will notify the missionary if the request has been approved. The application form will then be signed and sent to the STL office for processing.
- AGUSM will notify the missionary if the request has been deferred for more information. When the additional information is available, the request will be resubmitted to the Committee.
- AGUSM will notify the missionary and district if the request has been denied.

RESPONSIBILITY OF SPEED THE LIGHT

- When the district STL funds are available, STL will notify the missionary and provide instructions on the next steps needed to complete the purchase.
- STL will work with the applicant on the type and price of equipment being purchased...within the parameters of the Committee approval.

**NOTE: ALL EQUIPMENT PURCHASES ARE PROCESSED BY
THE STL PROJECTS COORDINATOR IN THE NATIONAL SPEED THE LIGHT OFFICE.**

Equipment will only be provided if it can be demonstrated that it will be used for evangelism. Convenience, economy, or help with office administration does not qualify for STL assistance. It is also understood that the missionary responsible for the equipment is accountable to the General Council of the A/G for the careful and proper use of the equipment purchased. The equipment will be added to AGUSM inventory and cannot be disposed of or otherwise encumbered without the prior authorization from AGUSM and the national STL office.

*NOTE: Please see the U.S. Missions Manual for all policies, procedures, and restrictions.
